

Someone Like Me: Junior Activity Sheet

Teacher's tip: Encourage pupils to think about non-visible disabilities that could be differences between the twins in this activity. Use the disability fact sheet to discuss different types of disabilities with pupils

Look carefully at the picture!

- These two girls are twins and both have disabilities. What disabilities might they have? Discuss with your classmates and teacher

Draw or Write about it:

What is the same about these twins?

What is different about these twins?

Someone Like Me: Junior Activity Sheet

Teacher's tip: Use this activity time to discuss sensory spaces and their benefits with your pupils

Draw an image of what you might think is an inclusive space where we can all play together
