

# Someone Like Me: Junior Activity Sheet

Look carefully at the picture!

- Talk about ways you are the same as the children in the picture.
- Talk about ways you are different.

Draw or Write about it:

I am the same

A large, empty rounded rectangle intended for a child to draw or write about similarities between themselves and the children in the picture.

---

---

---

---

---

---

I am different

A large, empty rounded rectangle intended for a child to draw or write about differences between themselves and the children in the picture.

# Someone Like Me: Junior Activity Sheet

**Look carefully at the picture!**

- Talk about the differences among these children.
- Talk about the similarities between these children.

**Draw or talk to your classmates about the differences and similarities you see**

**Differences**

A large, empty rectangular box with rounded corners, intended for students to draw or write about the differences they observed among the children in the picture above.

**Similarities**

A large, empty rectangular box with rounded corners, intended for students to draw or write about the similarities they observed among the children in the picture above.
