

Someone Like Me: Senior Activity Sheet

Think about what you learned and answer the following:

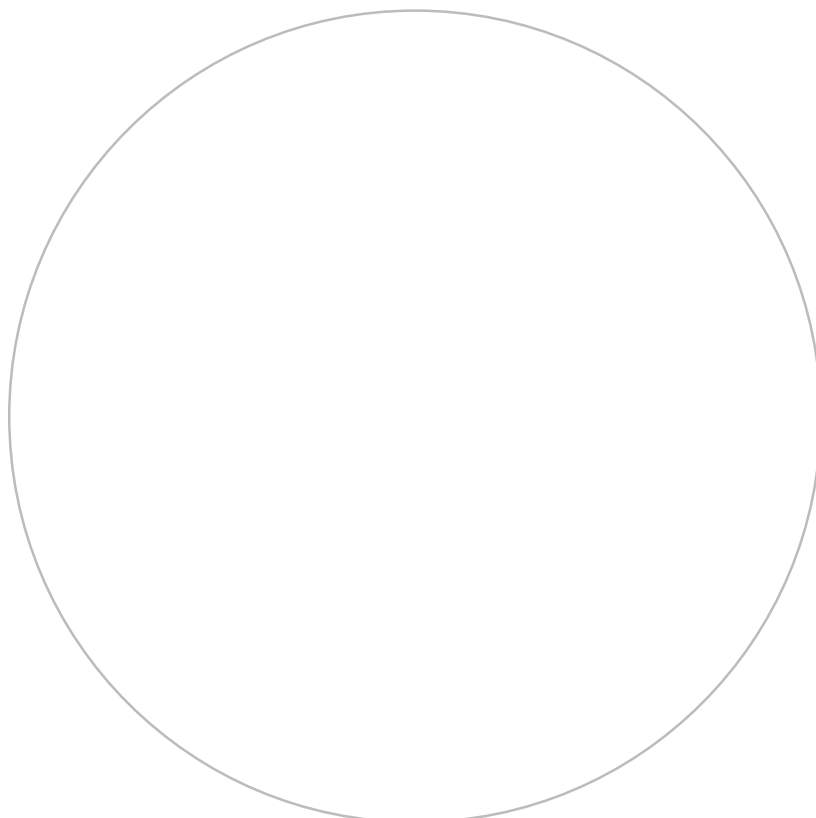

1. What questions do you have after completing this lesson?

Teacher to aid discussion between pupils

2. Why is it important to be inclusive of everyone?

3. From your research on famous people with disabilities, what is one piece of information you have learned?

4. Ways I can be inclusive of a person with a disability
(Write your ideas in the circle below.)

Someone Like Me: Senior Activity Sheet

1. Think of someone with a non-visible or intellectual disability. Draw a picture to illustrate your example and explain it with words

2. Think of three ways life could be made more accessible for those who are differently abled. Draw a picture to illustrate your example and explain it with words

3. Think of some ways that life might be different for someone with this disability. Draw a picture to illustrate your example and explain it with words
